

WEST BRIDGFORD & DISTRICT LOCAL HISTORY SOCIETY

The Society was formed in 1976 to cater for the growing interest in local history. Meetings are held every month between October and April, when talks are given on subjects of local history interest, as well as those relating to the county of Nottinghamshire. Outings to places of historic interest are arranged during the summer months.

The Society also encourages research into local projects. The Secretary would be grateful for the opportunity of copying any photographs, documents or other material of local interest, which members may have.

Membership is open to anyone interested in local history. The annual subscription, which is due in January, includes two issues each year of the Nottinghamshire Historian published by the Nottinghamshire Local History Association.

The subscription is £13 for single membership, and £23 for double membership i.e. two adults at the same address.
